

2020 Apostolic and Prophetic Words:

1. Genesis 15:1. 2019 was the year of the shield, 2020 is the year of Him being our exceedingly great reward!
2. Luke 5: The year of Him launching us out into the deep, the place of abundant blessings and abundant salvations! Makes no sense in the natural because the natural is the cursed system that the enemy convinces people is the place of blessing when it is really a place where we toil all night to get nothing. The deep is not a place of common sense it is a place of faith. Jesus teaches us where we are (in the shallows) but moves us into a higher place, the deep. Sow your boat (your dream, your agenda, your talents) and He will take it into the deep. He is launching us this year out of the shallows and into the deep! Leaving the shallows is just like God telling Abram to leave his kindred and his country to a place he did not know but it was a place of blessing. We must leave the shallows, the natural, the comfortable, all we have ever known, to choose a different kingdom, a place of fullness of the blessing completely out of the curse system. Peter said "at Your word I will do it" so at His word, we will do it and find the place of abundance!
3. This is a year to focus on Psalm 23!
4. Pray for perfect eyesight, natural and spiritual, later, awhile after I heard the HS say this, He reminded me it was the year 2020. See Mark 8:22+. Talks about going to Bethesda, house of fish! There the eyes will open!
5. Layers. As we have been delivered (like peeling layers of an onion) this year He is adding layers of truth, blessing, grace, faith, glory, etc. from Him upon us.
6. Gods dream in us, Psalm 25. Kris Vallotton says God has a dream then fashions a body to put it in. God had a dream of fishing for men but Peter, James and John in the natural in their dream only caught fish, the counterfeit dream. You can only go so far away from the true dream inside you but the enemy will get you out of Gods dream just enough to keep you toiling in the natural to fulfill your dream and miss His completely. When we discover His dream, our destinies explode! This year we discover HIS dream in us!!
7. Prophetic word for 2020: I prophetically laid hands on the 2020 calendar. As I did, I saw a vision of the Monopoly card Advance to Boardwalk! I saw the Monopoly card with the man taking a huge step of advancement to Go but the card said in the vision advance to Boardwalk (to the place of wealth)! Promotion time!! It is time to advance to GO, time to start, time to advance to abundance and blessing. It is being birthed (actual advance to Boardwalk card shows Monopoly man pushing a baby stroller down the Boardwalk!!) this year.
